

Pepper - Hot

Gator Jigsaw Purple

The peppers measure 1.5 to 2 inches long and grow on plants with striking dark foliage that can reach an impressive 4 to 5 feet tall. Their flavor is a bold blend of fruity notes with a hint of smokiness, delivering a fiery heat that's not for the faint of heart.

1,500,000- 2,000,000 (SHU) Scoville Heat Units
